FACTS

A. CWL, Its Marks, and Its Products

7. CWL is one of the world's premier suppliers of bath, hair care, fragrance and beauty products made from natural, wholesome ingredients. CWL's products are sold at more than one hundred and fifty retail stores operated in the United States, from its approximately 750 additional retail shops in many foreign countries, as well as via its catalogs and internet sites. CWL has a reputation of providing competitively priced, high-quality bath, hair care, fragrance and beauty products and services; CWL also sells clothing, tote bags and other products. Over the last twenty years, CWL's business in the United States has grown substantially and CWL is one of the nation's best-known retail providers of bath, hair care, fragrance and beauty products and services. CWL is the owner of the LUSH trademark used in conjunction with its over 900 stores worldwide, its catalogs and its websites. CWL also owns numerous other trademarks and service marks.

8. CWL owns the mark KARMA. CWL has made substantial and long use of the mark KARMA itself, or through its licensees or authorized affiliates. Specifically, CWL owns U.S. Trademark Registration No. 3,799,570, for perfumes; bath preparations, namely, bath salts, bubble bath, bath foams, bath oils, shower and bath gel, body scrubs and washes; non-medicated toilet preparations, namely, talcum powder, soaps; cosmetic preparations, namely, skin creams and moisturizers; shampoos, in International Class 3. Said registration was registered on the Principal Register on June 8, 2010, based on first use of the KARMA mark on May 31, 1996. A copy of the particulars of this registration as reflected in the TSDR database maintained by the United States Patent and Trademark Office is attached hereto as Exhibit A.

9. CWL has filed a timely Declaration of Use, and an Affidavit pursuant to section 15 of the Lanham Act, 15 U.S.C. §1065 in the KARMA registration. The Affidavit of Incontestability has been accepted by the United States Patent and Trademark Office, rendering Registration No. 3,799,570 incontestable by operation of law. That registration is now conclusive evidence of the validity of CWL's registered KARMA mark, of the registration of the KARMA mark, CWL's ownership of the KARMA mark and CWL's exclusive right to use the KARMA mark in commerce pursuant to 15 U.S.C. 1115(b).

10. CWL makes and sells a wide range of products under the KARMA name and currently sells KARMA soap, KARMA KOMBA shampoo bars, KARMA solid perfume, KARMA KREAM body lotion, KARMA PERFUME GIFT wrapped gift sets, KARMA liquid perfume, KARMA bubble bars and CWL incorporates these products in an array of gift sets or wrapped gifts. Examples of these products currently on sale are reproduced below.

11. CWL has been commercially using the KARMA mark in the United States since at least as early as 1996. The compounds, essential oils, and ingredients that make up the scent known as KARMA are incorporated in numerous products by the facilities that manufacture these products as an essential component used to make a variety of products, all of which will have the aroma of KARMA. KARMA perfume is the signature scent of CWL. CWL's KARMA products are on display and are for sale in each of the LUSH shops every day, are offered on the various web sites and in the LUSH TIMES catalog on a daily and ongoing basis and have been for over twenty years. The KARMA products shown above are not an exhaustive list of all such products CWL has made. CWL makes new additions to the KARMA line from time to time, and retires various products from the KARMA line from time to time. CWL has had a range of KARMA products without interruption and continuously since 1996 and intends to carry the brand forward as a key part of its business.

12. CWL has expended a substantial amount of money and effort advertising and promoting its KARMA mark. CWL is among the most innovative and creative companies selling cosmetics, soaps, hair products, bath products, perfumes, and related products in the world today, and its products are frequently imitated. CWL and its KARMA mark are well known and consumers have come to know, rely upon, and recognize the KARMA mark as identifying numerous of CWL's products. The scent of KARMA perfume permeates CWL's retail stores and is usually perceived by visitors to the shops before they enter the shop. As a result of CWL's substantial promotional, advertising, publicity, and public relations activities, the KARMA mark has acquired substantial goodwill and is an extremely valuable commercial asset.

13. CWL's KARMA mark is distinctive and inherently distinctive, serving to identify and indicate the source of CWL's products to the consuming public, and to distinguish CWL's products and services from those of others.

14. CWL has significant common-law rights in the KARMA mark in Minnesota and throughout the United States.

EAU DE KARMA - THE NEW LADIES' FRAGRANCE

INSPIRATION

17. Defendant is aware of the vast and valuable goodwill and reputation represented and symbolized by CWL's KARMA mark. Defendant is aware that CWL's consumers and potential consumers rely upon CWL's KARMA mark as distinguishing CWL's products and services from the products and services of others.

18. Thomas Sabo's use of the marks KARMA, KARMA BEADS, THOMAS SABO KARMA BEADS, and EAU DE KARMA is without attribution and without the permission, consent, or authority of CWL, and is likely to cause confusion, mistake, or deception with CWL's KARMA mark and KARMA products.

19. Defendant, with constructive and, upon information and belief, actual knowledge of CWL's proprietary rights in the mark KARMA, began advertising, promoting, offering for sale, and selling products that are closely related to those long sold by CWL under its KARMA mark, and Thomas Sabo has continued to do so despite the protestations of CWL.

20. Thomas Sabo's use of CWL's proprietary KARMA mark is likely to cause

confusion, mistake, or deception.

C. Effect of Thomas Sabo's Conduct on CWL and the Consuming Public

21. Thomas Sabo has infringed upon the rights of CWL by offering for sale, selling, advertising and distributing goods under confusingly similar, deceptively similar and unfairly similar names and trademarks to CWL's KARMA trademark.

22. Thomas Sabo's use of the KARMA mark, alone or combined with the name THOMAS SABO, the word BEADS or as EAU DE KARMA to promote, advertise, sell, and offer for sale competing or similar types of goods as those offered by CWL in connection with its KARMA mark, violates the rights of CWL and risks confusion or deception of the consuming public as to the source of Thomas Sabo's goods, and/or as to the affiliation with, sponsorship of or approval of Thomas Sabo's goods by CWL.

23. Thomas Sabo's goods are offered and/or promoted in the same or very similar channels of trade as the products and services offered by CWL in connection with its KARMA mark. Both parties sell their goods in high-end shopping districts, major or regional malls, and over the Internet to consumers in Minnesota and across the United States.

24. Thomas Sabo's "Official Partner" for retail sales in Minnesota, Continental Diamond, is located in St. Louis Park, Minnesota, a mere 5 miles along Interstate Highway 394 from CWL's shop located in the Ridgedale Mall, in Minnetonka, Minnesota. Virtually all customers who visit the Continental Diamond location are familiar with and have likely visited the Ridgedale Mall, or have visited the Mall of America in Bloomington, Minnesota where CWL has a flagship store. All of CWL's

stores promote and sell KARMA products, including those in Edina, Roseville, Bloomington and Minnetonka, Minnesota. Customers at Thomas Sabo's "Official Partner" location in Minnesota are highly likely to be familiar with CWL, CWL's KARMA mark, and CWL's KARMA products.

25. As a result of Thomas Sabo's unauthorized use of the KARMA mark on goods classified in International Classes 3 and 4 according to the Trademark Identification Manual of the United States Patent and Trademark Office, Defendant is being unjustly enriched at CWL's expense, and CWL is being damaged.

26. CWL objects to the use and registration of KARMA marks for those goods of Sabo falling in International Classes 3 and 4 listed in the Sabo trademark applications listed above in paragraph 12 above. The "Sabo challenged goods" herein. CWL does not challenge use or registration of the Sabo marks for the goods or services listed above in International Classes 14, 16 or 35.

27. Thomas Sabo's unauthorized use and/or registration of KARMA marks for goods in International Classes 3 and 4 has significantly injured CWL's interests. Specifically, Defendant (a) has traded upon and threatens to further trade upon the significant and valuable goodwill in CWL's KARMA mark; (b) is likely to cause public confusion as to the source, sponsorship or affiliation of Thomas Sabo's products or services; (c) has damaged and threatens to further damage CWL's significant and valuable goodwill in CWL's KARMA mark; (d) has injured and threatens to further injure CWL's right to use CWL's KARMA mark as the exclusive indicia of origin of CWL's KARMA products in Minnesota and throughout the United States; and (e) has lessened the capacity of CWL's KARMA mark, to indicate that only CWL's products are

sponsored by CWL.

28. Unless these infringing acts by Defendant are restrained by this Court, they will cause irreparable injury to CWL and to the public, for which there is no adequate remedy at law.

D. Prior Filed and Now Pending Proceedings in The Trademark Trial and Appeal Board within The United States Patent and Trademark Office

29. CWL has objected to the registration of the Thomas Sabo KARMA marks identified in Exhibits B, C, D and E in the United States Patent and Trademark Office with respect to goods in International Classes 3 and 4. CWL has opposed the application to register the EAU DE KARMA mark, and has filed timely Petitions to Cancel the THOMAS SABO KARMA BEADS and KARMA BEADS registrations with respect to International Classes 3 and 4. The opposition proceeding and cancellation proceedings are identified below:

Each of these proceedings is now pending with respect to the International Classes challenged.

30. Pursuant to Section 37 of the Lanham Act, 15 U.S.C. § 1119, this Court may determine the right to registration, or order the cancellation of a registration, in

whole or in part. This Court may also rectify the trademark register with respect to Thomas Sabo's application to register EAU DE KARMA, and the registrations of the THOMAS SABO KARMA BEADS and KARMA BEADS marks. The Court should act in this matter in order to prevent the use or registration of marks confusingly similar to, or otherwise causing damage to CWL's KARMA trademark registration and/or common law rights in the mark KARMA.
